

Amie Davenport

11960 SW Burnett Lane
Beaverton, OR 97008
503.764.5604 ~ davenport.amie@gmail.com

Initial Teaching License I #10427367
Authorization Levels: Elementary/Middle School
Endorsement Area: Middle School Mathematics, Multiple Subjects

Professional Objective

- ♦ To obtain an elementary or middle school position where I can positively impact students and prepare them for success inside and outside the classroom

Educational Experience

George Fox University ~ Newberg, OR
Master of Arts in Teaching: April 2012

Oregon State University ~ Bend, OR
Bachelor of Science: September 2009

Educational Experience

Sherwood/Newberg School Districts ~ Sherwood/Newberg, OR **January 2013 to present**
Substitute Teacher

- ♦ Substitute for multiple grades with a focus on elementary and middle school.

Beaverton School District ~ Beaverton, OR **June 2012 to present**
Substitute Teacher

- ♦ Substitute for multiple grades with a focus on elementary fourth and fifth grades; as well as, all middle school grades with a concentration in math and science.

Student Teaching Experience

Conestoga Middle School ~ Beaverton, OR **January 2012 to present**
Sixth grade math/science classroom

- ♦ Instructed 70+ students in Science/Math core classes in a 6th grade middle school classroom setting in an inclusion model setting for learners with IEPs and ESOLs, and Accelerated students. Tutored and mentored students during lunch hours and communicated with parents on the gains and concerns of their students. Attended student involved extra-curricular activities
- ♦ Implemented and developed a complete instructional unit on Decimals utilizing available technology. Demonstrated the ability to plan differentiated lessons in both math and science and deliver them efficiently to students; ability to make use of different math teaching methods i.e. Math games
- ♦ Participated in and attended the district in-service programs, faculty meetings, IEP meetings and parent-teacher conferences

Elmonica Elementary School ~ Beaverton, OR **August 2011 to January 2012**
Fourth grade classroom

- ♦ Instructed 25 students in a general education 4th grade classroom in an inclusion setting for learners with IEPs and ESOLs, and Accelerated students. Participated in and attended the district in-service programs and faculty meetings; as well as, parent-teacher conferences.
- ♦ Implemented and developed a complete instructional unit on Erosion utilizing hands-on manipulatives through the lens of science inquiry. Instructed regularly in mathematics for the duration of my student teaching.

Other Work Experience

Sunriver Resort ~ Sunriver, OR **December 1995 to October 2010**
Community Association Manager

- ♦ Facilitated quarterly board meetings – scheduled and participated in board meetings, typed succinct minutes, and followed through on board directives.
- ♦ Drafted yearly budgets – worked in conjunction with the board to develop the yearly budget, approved monthly expenses, and evaluated the P&L and Balance Sheet monthly for overages. In fifteen years, I was able to control expenses and did not exceed the yearly budget.
- ♦ Customer service – maintained relationships with owners and their extended families, greeted vacation guests and informed them of the rules/regulations of the complex and Sunriver in general. Responsible for owner and guest satisfaction.
- ♦ Collaborated with resort staff – met with teams from varying departments to increase cross-communication and reduce duplicity.

- ♦ Website building and maintenance – responsible for updating and maintaining the association website.

Volunteer Activities

- ♦ Inukai Boys and Girls Club – day camp assistant – Summer 2011
- ♦ Bend Parks and Recreation District – assistant basketball coach – fifth grade boys – Winter 2010
- ♦ Bend-LaPine School District – SMART reader – School Year 2008-2009
- ♦ High Desert Run for FAN (Family Access Network) - 2009
- ♦ Bend-LaPine School District – parent volunteer – School Years 2002 - 2008
