WORK HISTORY

Assistant Director

- Internal Drive Technology Camps, Summer 2011
- As Assistant Director, in charge of the performance of other staff as well as numerous camp logistics. I constantly supervised both teens and pre-teens. And I handled corporate, parent, and camper concerns.

Curriculum Developer

- Internal Drive Technology Camps, Fall 2010 - Summer 2011
- I wrote 60 in-depth lessons and tutorials on how to use the StarCraft II Galaxy Editor. iD Tech is the largest technology camp in the United States. Hundreds of instructors and students used my curriculum to learn the Galaxy Editor.

Lead Instructor

- Internal Drive Technology Camps, Summers 2008-2010
- Taught campers how to create games using the WarCraft III World Editor and the Unreal Development Kit. I also taught Web Development using Flash, Photoshop, Dreamweaver, and HTML and CSS.

Publicity Intern

- University of Tennessee Press, Knoxville, TN Summer 2010
- Wrote correspondence to authors and the press, including book synopses and short-copy for purposes of review proposals, advertising, and jacket copy.

Warren Wilson College, Asheville, NC Fall 2005-Spring 2009

- Warren Wilson College is a work college. Students are required to work fifteen hours per week on college crews, learning not only specific skills but also how to work cooperatively with others and how to work productively within a time schedule.

Feature Writer, Communications Office, Spring 2009

- Wrote feature stories for college communications office. Wrote self-assigned essays on students, alumni, service, etc. via personal interviews, observation, and research.

Editor, *Peal* college magazine, Fall 2006-Spring 2008

- Edited college literary magazine, the *Peal*. Organized issue layout and reviewed submissions. Grammatically edited accepted work to conform to publishable standards.

Back-of-House Staff, Zaxby's Restaurant Summers 2005, 2006

- Cooked and prepared food; cleaned the kitchen, hallways, freezer, etc.; washed dishes.
