## EXPERIENCE

- 1/08-1/11      **Princeton University School of Architecture, Lab Monitor** | Princeton, NJ
- Assisted fellow students and undergraduates, supervised use of saws, laser cutters, and CNC mill.
  - Helped prepare laser cutter and milling files.
- 6/10-8/10      **M. Christine Boyer, Research Assistant** | Princeton, NJ
- Researched urban transportation design in preparation for an undergraduate course on city planning.
- 6/10-7/10      **Guy Nordenson and Associates, Exhibition Assistant** | Princeton, NJ
- Prepared exhibition for The U.S. Pavilion at La Biennale di Venezia, Biennale di Architettura 2010.
  - Built two models featured in *Workshopping: An American Model of Architectural Practice*.
- 11/07-5/08      **Independent Contractor, Treehouse Photographer** | Multiple Locations
- Located and documented tree houses in Brazil, Australia, Thailand, and India for *New Treehouses of the World* by Pete Nelson – over 38,000 copies sold so far.
  - Selected photographs also published in LA Times and Living Alone Magazine.
- 3/07-10/07      **TreeHouse Workshop, Inc., Junior Designer/Carpenter** | Issaquah, WA
- Designed and built tree houses for children and adults, worked with arborists, engineers, and builders.
  - Attended The World Tree House Conference, learned innovative approaches to building aloft.
  - Selected work has been featured in major publications such as The New York Times and USA Today.
- 1/07-2/07      **Yestermorrow Design/Build School, Designer/Builder** | San Cristóbal, Dominican Republic
- Worked with an international team of architects and students to design and build an entrance to the Pomier Caves, home to the largest known concentration of prehistoric Taino cave artwork.
- 6/06-9/06      **Gross Brothers Media, LLC, Media Specialist** | Boston, MA
- Assembled high-resolution spherical panoramic images and linked them to create digital tours of architecture.
  - Produced the first virtual syllabus for art history courses at Williams College.
- 9/05-6/06      **Williams College Studio Art Department, Teaching Assistant** | Williamstown, MA
- Held informal critiques with sculpture students to help them develop and realize their creative goals.
  - Supervised use of welding equipment and saws, maintained sculpture studio.
