### Objectives:

I design to live, I live to design. I am seeking a dynamic position allowing me the opportunity to work closely with a creative and energetic team.

### Experience:

**Project Designer** | Troy Cabinet Manufacturing 2005-present Troy, NY

\*Independent design contractor

\*Interpret and implement hand-drawn sketches of custom cabinets

\*Create 3D presentations and working drawings with CabinetVision and AutoCadd

\*Maintain extensive knowledge of residential products and materials in order to best advise my clients in the design and decision-making process

**Computer Drafting Consultant** | Studio 7 Architects 2004 Clifton Park, NY

\*Produced plans and elevations for residential additions

**Project Architect** | Kaehler/Moore Architects 1999 – 2002 Greenwich, CT

\*Designed multi-million dollar residential spaces in Connecticut and New York.

\*Managed all daily communication (meetings, conference calls, e-mails, etc.) with the client, subcontractors, and distributors

\*Created all presentation, construction drawings and 3D virtual tours of proposed spaces using CADD design software

\*Developed schematic sketches into 2D and 3D CADD renderings

\*Organized building permit applications

\*Projects ranged from 2,000-10,000 sft residences

**Architectural Intern** | S/L/A/M Collaborative 1997 – 1999 Glastonbury, CT

\*Multi-disciplinary firm specializing in Healthcare, Educational, Government, and Mixed Use Residential design.

\*Developed schematic design presentation boards

\*Organized specification classifications

\*Coordinated HVAC and electrical layouts, and reflected ceiling plans

\*Space planning for offices, classrooms, ER and MRI exam rooms, and patient care rooms
