## **Employment**

*Light of Life Lutheran Church*, Aloha, OR 2006 - 2012

- Solo pastor: handled leadership and administrative tasks for a parish of 40.
- Each week researched a topic and presented results of study.
- Scheduled and carried out parish visitation, both home and hospital.
- Learned individual stories and encouraged people toward growth.

*Progressive Insurance*, Tigard, OR 2005-2006

- Provided general office and filing support.
- Substituted for team secretaries during extended absence

*Intuit Inc.* Tucson, AZ Nov. 1997- 2001

- Technical support for the makers of Quicken and Turbo Tax.
- Promoted to senior technical support representative.
- Handled support issues which were beyond front-line support.
- Worked directly with and resolved issues of irate customers.

*Environmental Consultants Inc.* Contract to Pacific Gas & Electric (PG&E) Jan. - Oct. 1997

- Supervised a crew of auditors in the 100% survey of PG&E's California territory.
- Managed the crew, and coordinated with other crew leaders.
- Gathered and transmitted data from surveyors.

*Canyon Ranch*, Tucson, AZ May-Dec. 1996

- Landscaper at major fitness resort.

*Environmental Consultants Inc.* Contract to Florida Power and Light (FPL) Feb. - Mar. 1996

- Informal leader on a survey of the trees and lines in FPL territory.
- Coordinated the surveyors, gathered their data, collated it, and filed it with FPL.

*Environmental Consultants Inc.* Contract to Philadelphia Electric Company 1994-1995

- Negotiated tree trimming permission with customers.
