Education

Master of Science in Economics, Oregon State University, 2010
Bachelor of Science in Physics, Oregon State University, 2006
Minor in Chemistry, Oregon State University, 2006

Employment

Position: Graduate Teaching Assistant
Employer: Oregon State University, Department of Economics
Time: September 2008- June 2010
Duties: Taught Economics 201, grading and tutoring for a variety of economics courses.

Position: Project Researcher
Employer: Oregon State University, Department of Nuclear Engineering
Time: Summer 2008
Duties: Research topics with a nuclear engineering application.

Position: Quality Control Coordinator
Employer: Bredero Shaw
Time: September 2006- September 2007
Duties: Set up a quality control lab for new pipe coating plant: purchasing requisite equipment, creating documentation forms, and train employees. Once the plant was operational I ran the quality control department where I performed daily quality tests, maintained documentation, collected and analyzed data.

Interests and skills:

Writing, computer programming, foreign languages, and travel.
