Dear Zeta:

On behalf of the Board of Directors and staff, thank you for your Bronze level sponsorship, as well as your raffle contribution of 3 bottles of wine and baseball caps, for the 9th Annual Classroom Law Project Golf Tournament on Monday, September 27, 2010 to benefit CLP. We greatly appreciate your support!

More than 100 players turned out to enjoy the beautiful sunny day and an amazing view of Mt. Hood at Oregon Golf Club. With your support, the tournament raised almost \$45,000 for CLP.

As you know, Classroom Law Project has been a non-profit 501(c)(3) organization since 1983. We pride ourselves in being the only civic studies program in Oregon that successfully brings educators and students together with civic leaders and lawyers to provide the best practices in civic education to students. Our mission is to build strong communities in Oregon by teaching our youth to become active citizens.

From mock trials and court tours to new lesson materials and workshops for teachers, Classroom Law Project is working to tailor programs that meet current needs of schools, and provide lifelong skills for students. As the competition increases for grants and corporate support, individual contributions like yours have become all the more essential to our program.

Again, thank you for your support. You have joined the list of special friends of Classroom Law Project.

Sincerely,

Marilyn R. Cover
Executive Director
