# Christopher Nelson

## Really quick :

I am very excited to enter the professional realm with enthusiasm, diligence and integrity.  My peers would be quick to point out my humor, personable character and enthusiasm towards the challenges that lie ahead.  I will bring a breath of fresh air into the work place along with the knowledge of design software such as Revit and the Adobe suite.  My best attribute is my willingness and passion to learn.

## Course experience :

- Architectural Drawing
- Architectural Design I, II, III, IV, V
- Architectural Detailing
- Design Theory
- Design Technology
- Architectural Structures I, II
- Materials & Construction
- Environmental Control System: Passive Principles
- Environmental Control System: Active System
- Environmental Design Fundamentals
- Urban Design

## Professional experience :

- *AmFam Insurance*  - Data entry - May 2012- August 2012
    translated new business into data files, general office work
- *All About Erosion* - laborer - May 2011 - August 2011
    Installed silt fence, constructed silt logs
- *Syngenta* - laborer, team leader - May-August 2009, 2010
    Pollinated seeds, led team of pollinators

Although I do not have any professional experience working in a design firm, I am confident that I will be a great asset to any team I join.  My great work ethic and determination have helped tremendously throughout my education and will continue to thrive in my professional career.  As much as I can write down, I know my personality and skills are more important than writing on paper and I hope to be able to prove that.
